Identification Attestation request to register in France a foreign vehicle

Form
 applicable
 since
 01/10/2015

I, the undersigned:

Ms Mr Name: _____ Surname: _____

Company: _____

Address: _____

Zipcode: _____ City: _____ Country: _____

Telephone: _____ E-mail: _____

Am requesting hereby an identification attestation for the following Ford vehicle in order to register it in France:

• Vehicle Identification number (E): _____

• Model: _____ • Registration number (A): _____

• Registration country: _____ • First registration date (B): _____

• Vehicle new (never registered)
 second-hand (already registered, even temporarily)

Requested attachment:

Legible copy of the complete foreign registration document (title) or invoice for a new vehicle - do not send the original papers

Legible picture of the vehicle's constructor plate (please check the next page for further details)

170 € tax inclusive for a second-hand vehicle (already registered, even temporarily)

or **250 € tax inclusive** for a new vehicle (never registered)

Payment by cheque payable to FMC Automobiles SAS or by bank transfer (justification needed) - do not send a "Mandat Cash"

In case of payment by a cheque established by a non-French bank, an additional amount of 16.27 € tax inclusive is needed to cover bank fees.

I certify the accuracy of the information above.

Location: _____

Signature:

Date: _____

I would like to receive information on Ford products

The data collected will be processed electronically and is necessary to handle your request. As per the provisions of law no. 78-17 of January 6, 1978, you have the right to access and amend your personal data which is received by Ford France. Upon acceptance you will be able to receive our company's commercial offers. In this case as per the CNIL decision DF-2010-181 your data will be hosted in the USA by Ford Motor Company which is Safe Harbor certified.

OUR DOCUMENTS WILL ONLY MENTION VEHICLE'S PRODUCTION DATA
 DEPENDING ON THE VEHICLE'S TYPE A PARTIAL IDENTIFICATION ATTESTATION COULD BE DELIVERED
 EACH INCOMPLETE OR ILLEGIBLE REQUEST WILL BE RETURNED UNPROCESSED
 IN CASE OF ANY DIFFICULTY DON'T HESITATE TO CONTACT A FORD DEALER

FMC Automobiles SAS - Société par Actions Simplifiée au capital de 24.394.693 €
 N° SIREN : 425 127 362 RCS Versailles

Constructor plate's data are mandatory to identify your vehicle.

Depending on the model and year, the constructor plate can be:

- A sticker
- A metallic plate

FORD	
1	e13 * 2001/116 * 0144
L	* *
W	1820 kg
LW	2930 kg
KF	925 kg
H4	1005 kg
7	DA3 0.52

Depending on the model and year, the constructor plate can be situated:

- At the bottom of the passenger side's B-post (1)
- On top of the radiator crossbeam (2)
- In the middle of the passenger side's B-post (3)
- In the engine compartment on the right side (4)

If you cannot find your vehicle's constructor plate, don't hesitate to get in touch with a Ford Dealer.
